

Listing of Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

1. (Currently Amended) A control device for remotely controlling a controlled device, comprising:
 - a display unit which displays a control panel of the controlled device; and
 - a communication unit ~~which sends~~ for sending operation information ~~representing to the controlled device, the operation information including~~ a shifting history of a cursor displayed on the control panel, ~~to the controlled device~~
wherein the shifting history represents a list of buttons depressed by the cursor.
2. (Currently Amended) A control device according to claim 1, wherein ~~the said~~ control device is a television and ~~the controlled device is a video recorder.~~
3. (Currently Amended) A control device according to claim 1 ~~and 2~~, wherein ~~the control device is a television and the controlled device is one of a video recorder and~~ a digital photo-album device.
4. (Currently Amended) A control device according to claim 1, wherein ~~the said~~ communication unit communicates with the controlled device via a serial bus ~~conformed to IEEE 1394-1995 standard.~~
5. (Currently Amended) A controlled device controlled remotely by a control device, comprising:
 - a communication unit ~~which sends~~ a control panel of the controlled device to the control device, and receives operation information ~~representing from the control device, the operation information including~~ a shifting history of a cursor displayed on the control panel ~~from the control device; and~~
 - a control unit which controls ~~a function corresponding to~~ said controlled device using the operation information,
wherein the shifting history represents a list of buttons depressed by the cursor.

6. (Currently Amended) A controlled device according to claim 5, wherein the control device is a television ~~and the controlled device is a video recorder.~~
7. (Currently Amended) A controlled device according to claim ~~5~~ 6, wherein ~~the control device is a television and the~~ said controlled device is one of a video recorder and a digital photo-album device.
8. (Currently Amended) A controlled device according to claim 5, wherein the communication unit communicates with the control device via a serial bus ~~conformed to IEEE 1394-1995 standard.~~
9. (Currently Amended) A control device according to claim ~~2~~ 4, wherein the ~~communication unit communicates with the controlled device via a serial bus conformed~~ conforms to IEEE 1394-1995 standard.
10. (Currently Amended) A control device according to claim 3, wherein ~~the~~ said communication unit communicates with the controlled device via a serial bus ~~conformed to IEEE 1394-1995 standard.~~
11. (Currently Amended) A controlled device according to claim ~~6~~ 8, wherein the ~~communication unit communicates with the control device via a serial bus conformed~~ conforms to IEEE 1394-1995 standard.
12. (Currently Amended) A controlled device according to claim 7, wherein ~~the~~ said communication unit communicates with the control device via a serial bus ~~conformed to IEEE 1394-1995 standard.~~
